Foreword

Good luck Mancy
Honora Graves

As the century starts on the up-swing, we, the members of the graduating class of 1950, expect to take our places in the changing scene. We shall, perhaps, become a part of a greater surge of progress in our time than that of the first half of the century. Yet, in the years that lie ahead we shall look back with affection, as others have done before us, to the days spent at LHS. It is the hope of the STAFF that the LAHIAN of 1950 with its theme, The Change in the Century, will help to keep alive the friendships, hopes and ideals we have known here.

THE EDITOR.
